1. Print out a copy of Woman with Manton.

2. Gather your materials! You will be needing your Lady with Manton print out, a paint brush and some paint.

3. Why don’t you try using the Impressionism technique to paint the artwork? You can do this by painting small brush strokes to fill in the area you want to color.

4. Once you are finished and your work has dried, take a photo of it and share it with us!
