1. Print out a copy of Un Indio Natural dela Provincia de Pangasinan.

2. Gather your materials! You will be needing your Un Indio Natural dela Provincia de Pangasinan print out, a paint brush and some watercolor paint.

3. Why don’t you try painting your artwork with colors with different values? You can do this by mixing your paint color with either black to make it darker, or white to make it lighter!

4. Once you are finished and your work has dried, take a photo of it and share it with us!
